To whom it may concern,

I'm writing this testimonial on behalf of Dick Satori.

Dick developed and performed his solo show *Monkey Off Back...Circus Still in Town* as part of Firehouse Theatre's Studio and Fringe series during September/October 2015. He accomplished a great deal in the short time he worked with us before he had to leave Richmond for other gigs. His positive energy, devotion to his vision, and energy and talent contributed to the success of the developmental residency and work-in-progress showing. He's a multi-talented artist who is driven to excellence and to sharing his gifts and his personal story with audiences.

Feel free to contact me if you have any questions or need additional information.

Sincerely,

A handwritten signature in black ink that reads "Joel Bassin". The signature is written in a cursive, flowing style.
